A Modern History Of Japan

The naval history of Japan began with early interactions with states on the Asian continent in the 3rd century BCE during the Yayoi period. It reached a pre-modern peak of activity during the 16th century, a time of cultural exchange with European powers and extensive trade with the Asian continent. After over two centuries of self-imposed seclusion under the Tokugawa shogunate, Japan's

Status of Jews in Japan. Jews and their culture are by far one of the most minor ethnic and religious groups in Japan, presently consisting of only about 300 to 2,000 people or approximately 0.0016% to 0.0002% of Japan's total population. Almost all of them are not Japanese citizens and almost all of them are foreigner short-term residents. Jewish history in Japan

History of the Jews in Japan - Wikipedia

Japan sought to become a modern industrialized nation and pursued the acquisition of a large overseas empire, initially in Korea and China. By late 1941 this latter policy caused direct confrontation with the United States and its allies and to defeat in World War II (1939-45).

Read Book A Modern History Of Japan From Tokugawa Times To The Present Andrew **Population, & Facts | Britannica**

Settled by migrants from the Asian mainland back in the mists of prehistory, Japan has seen the rise and fall of emperors, rule by samurai warriors, isolation from the outside world, expansion over most of Asia, defeat, and rebirth. One of the most war-like of nations in the early 20th century, Japan today often serves as a voice of pacifism and restraint on the international stage.

Japan: Key Facts and History

Modern history is the history of the world beginning after the Middle Ages. Generally the term "modern history" refers to the history of the world since the advent of the Age of Reason and the Age of Enlightenment in the 17th and 18th centuries and the beginning of the Industrial Revolution.

Japan's efforts to build a modern nation considered both its history and adaptation of Western practices. This exposure to other nations paved the way for a new openness with the rest of the world and allowed for the emergence of a group of intellectuals who believed that adopting aspects of Western culture would only strengthen Japan.

The modern world history, the modern era or the modern period is the global, linear, historical-geographical approach to the time frame that comes post the classical history. Perhaps, this view is in contrast to the non-linear or rather the organic view which was put forth by historian and philosopher Oswald Spengler.
