A Treatise of Human Nature: Being an Attempt to Introduce the Experimental Method of Reasoning into Moral Subjects (1739-40) is a book by Scottish philosopher David Hume, considered by many to be Hume's most important work and one of the most influential works in the history of philosophy. The Treatise is a classic statement of philosophical empiricism, scepticism, and naturalism.

A Treatise of Human Nature - Wikipedia
This guide provides practical information on designing structured interviews. The guide discusses why interviews should have structure, what structure consists of, and how to conduct a structured interview. It also addresses the pros and cons of different types of interview questions and helpful/harmful interviewing techniques.

Welcome to my web page hosted by the IHPVA. My name is Rickey Horwitz, the former owner of Practical Innovations. Contained at this site are detailed plans on how to design and build a recumbent tricycle. The contents of this site used to reside on my own web page, but I have little time now to support it directly.
