The Beauty of Beading. Annie's Simply Beads Kit-of-the-Month Club is a monthly subscription that includes all the beads, findings (clasps, wire, etc.), and instructions you need to make beautiful jewelry pieces and sets. Each kit includes high quality beads and metals: real stones, beautiful crystals, pearls, and more!

Simply Beads Kit-of-the-Month Club | Start beading today

Fireline is a great beading thread for beginners and is suitable for use with metal seed beads, bugle beads and crystals where sharp edges of the beads may cut other threads. It is incredibly fine yet strong; this particular thread is only 0.2mm thick and will take a weight up to 6lbs! It's great for off-loom beadweaving, seed beads and pearls.

Simply the best. I always use sterling silver crimp tubes since these are the strongest crimp beads. I did research on the different types of crimp beads and found out that other materials have a higher possibility to crack, etc. I order these on a regular basis and never had a problem with them no matter what crimping method I use.
