Check out Bolt Action 2nd Edition - The tweaks part 1: Armed Transports. High Explosives (HE) HE now uses templates, and that adds nicely the realistic feel, inviting your men to avoid bunching up when big explosive shells fly around. Like everything else in Bolt Action, the system for these is very, very straightforward.

My first game of Bolt Action (2nd Edition) was in a recent tournament, and I got totally owned. My opponent was Roy, a power gaming friend that has schooled me in Bolt Action before. Our scenario that we rolled was Manhunt and I was fairly happy to get a "narrative" type gaming scenario in a tournament setting.

In first edition, the Rally order was a forlorn hope, in second edition, you will be able to get your troops back up and at 'em. The Down order has the added bonus of giving all incoming fire a -2 to hit modifier (previously, -1) and if you choose to have a unit remain down you can remove an additional D3 pins from the unit at the end of the turn.
