A list of all the main villains to be killed. Some series might kill some antagonists, but spare others in favor of redemption, imprisonment, or even inconclusive. Sometimes the villain might be revived, sometimes multiple times (especially in the case of horror villains). Will also include villains who present a final threat at the end, to be listed as "final antagonist". Note: Major villains ...

Advanced, ubiquitous magic always seems to end up working just like technology. The car engine might be powered by a fire elemental, and the telephone may work through the principle of

contagion, but this doesn't affect the man on the street.They just get in the car and drive away, or pick up the phone and talk — no special talent required, just as if the devices were technological.
