In Chapter 49, Dell winds up having to run the Rototiller by himself but when he is finished, Willow finds the soil has perfect acidity. Willow tries to describe soil acidity in terms of sour and sweet. When Dell asks her if she tasted the soil, Quang-ha laughs but then makes a comment about hydrogen ions that surprises both he and Willow.

The flashback in Chapter 49 answers a mystery in the preceding chapters: how do Stanley and Zero survive in the lizard-infested hole, when by all rights they should have been bitten and killed? It is interesting that only the reader is privileged with this information; in the boys' minds it is never explained and remains a miracle.
