You will also take part in theoretical and mathematical methods laboratories, workshops and IT laboratories.

BSc Chemistry | Study | Imperial College London

The multiple-choice section of the AP Chemistry exam doesn't let you use a calculator. This is kind of scary for some people, but it shouldn't be a big obstacle if you're well prepared. You'll save yourself a lot of time if you practice doing multiple-choice questions and estimating logical answers without going through long calculations.
