That is the intriguing question to which David Cooper seeks an answer in this book. Given the enthusiasm for gardens in human civilization ancient and modern, Eastern and Western, it is surprising that the question has been so long neglected by modern philosophy. Now at last there is a philosophy of gardens.

A Philosophy of Gardens - Paperback - David E. Cooper ...

academic philosophers in the world are well acquainted with the European tradi- tion, and so take “world philosophy” to be like “world music”—everything but European.
