Car Seats: Information for Families - HealthyChildren.org

Finding car seats that fit three across in the back seat of your car can be tricky, but it's not impossible. We took a look at the car seats on the market, specifically comparing dimensions and features that affect how easy each is to install next to other car seats. Based on our editors' research, we've determined that not every seat will work three in a row in every car, but we think the ...
