Labor dispute threatens Ram, Jeep . Production of some of Stellantis Ram trucks and Jeep SUVs is being threatened by a strike at an axle plant run by ZF Friedrichshafen, an hour northeast of Detroit. The United Auto Workers set up pickets outside the plant in Marysville, Michigan in a dispute over recognition.

Shortages Continue to Hamper Auto Production at GM ...

Diesel fuel / ˈ d iː z ə l / in general is any liquid fuel specifically designed for use in diesel engines, in which fuel ignition takes place, without any spark, as a result of compression of the inlet air mixture and then injection of fuel. Therefore, diesel fuel needs good compression ignition characteristics. The most common type of diesel fuel is a specific fractional distillate of ...

Semiconductor shortages continue to undercut auto production across North America with the Jeep brand becoming the latest. The company will close its massive Jefferson North facility in Detroit that builds the Grand Cherokee. Find out what else is closing temporarily at TheDetroitBureau.com.

Big Jeep Plant Closed by Chip Shortages - The Detroit Bureau

Roughly 25 million children ride school buses every year. And though only about 1% of 480,000 U.S. school buses are electric, there are signs the push to abandon diesel buses is gaining momentum:

Amid air quality concerns, districts embrace electric buses

Detroit Diesel Corporation (DDC) has determined that some remanufactured Detroit™ DT12™ transmissions will need to be inspected, and have the rear range housing or transmission replaced. Correctly built transmissions became effective with transmissions manufactured starting approximately in September, 2017. Any remanufactured Detroit™ DT12™

Events Calendar | U.S. Department of Labor

Managers of Detroit's Big Labor and Big Corporations were all about "getting theirs". As long as the system was static (before the Big Three had Japan taking volume at the low end and Germany taking margin at the high end), all the domestic growth belonged to the Big Three and the only real issue was dividing the spoils of an insular ...

Nine Reasons Why Detroit Failed - Aaron M. Renn

Last week the Labor Department reported that wholesale prices rose a record 8.6% in September compared to a year ago, the largest advance since the 12-month change was first calculated in 2010.

The Going PRO Talent Fund (Talent Fund) makes awards to employers to assist in training, developing and retaining current and newly hired employees. Training funded by the Talent Fund must be short-term and fill a demonstrated talent need experienced by the employer. Training must lead to a credential for a skill that is transferable and recognized by the industry.

Going Pro Talent Fund - SEMCA

The diesel is rated at 185 horsepower and 350 pound-feet of torque, significantly more powerful than the Ram's smaller diesel. All three engines are mated to a six-speed automatic transmission.

I'm driving an '89 Silverado diesel with the Detroit 6.2L diesel. It only has 498,000 miles on it, and so far has only had the auto trans rebuilt as it was dripping trans fluid slightly. If it isn't "Right", I fix it! Cab holds 5 men, 8' bed rated for 1,500 lbs. No rust, starts, drives, and runs great. Rides about like new.
