(1991 - 1999) The first modern 3 Series, the E36, was the model that paved the way for the 3 Series to be named "Car of the Year" every year since the model was driving off showroom floors. Radically redesigned in 1992, the E36 was not the same 3 Series as the E21 and E30. Larger, less boxy in design, and equipped with a dual overhead cam engine, multilink rear suspension, and a more finished ...
