The 2006-2015 Ford Galaxy and Ford S-Max are two of the best used MPVs you can buy. They're roomy, highly practical and - unusual for an MPV - good to drive. Both models can carry seven occupants, although the rear pair of seats are best reserved for children, and there's a good choice of diesel and petrol engines.

Ford S-Max & Galaxy routine maintenance guide (2006 to ...

If your S-Max is dangerously low on oil (to the point it is almost out) it could start to knock pretty bad. This sound is the engine starving for oil and wearing itself to death right before your ears. If the oil has thinned or aged so much that it can no longer lubricate the engine properly, it very well could knock.

Ford S-Max: Engine Knocking → Causes & Diagnosis ...

Ford S-Max Titanium After its sibling, Ford Galaxy, was being presented at the 2015 Geneva Motor Show, Ford decided to put it into production in late 2015. It comes with the same engines as the Galaxy, Mondeo and Edge, which consist of one diesel (in four states of tune) and two petrols.
