they will encounter when they step outside the language classroom and into the real world of language use. Corpus linguistics provides a vehicle for bringing natural language into the classroom in a way that involves learn-ers through hands-on activities interacting with "real" language. This book,

### Using Corpora in the Language Classroom

In my previous blogpost, '5 ways of using corpora to develop learner autonomy', I looked at what a corpus is, and outlined 5 ways of giving learners practice in spotting linguistic patterns through the use of a corpus, thus giving them a means to explore a word/phrase without constantly having to ask a teacher. Today, I shall look at 5 more ways of using the corpus to create classroom ...
