Basically F\*uck Feelings is a self-help book with a lot of swearing. Psychiatrist Michael Bennett and his daughter, Sarah, collaborated on it, which gives practical advice for dealing with our feelings. This quote in the introduction explains it well:

### F\*ck Feelings: One Shrink's Practical Advice for Managing ...

What F\*ck Feelings can promise you is that there is no situation in life that can't be endured if you can keep your sense of humor, bend your wishes to fit reality, restrain your feelings, manage bad behavior, and do what you think is right.

5 Ways To Tell If Your Kid Is an Asshole™ Posted by fxckfeelings on May 28, 2020. The children may be our future, but in their present state some children, like the one a reader described earlier, cannot be taught well or allowed to lead the way (unless you want to be lead into jail).That's because some kid are just Assholes, i.e., they're impossible to reason with and a danger to ...

Other self-help books claim to reveal the path to happiness, but F\*ck Feelings warns that convincing yourself that there is such a path will actually lead you to feel like a true failure. What the Bennetts can promise you is that you can manage any situation life throws at you if you can keep your sense of humor, bend your wishes to fit reality, restrain your feelings, manage bad behavior, and do what you think is right.
