“Genesis (First Colony Book 1),” authored by Mr. Ken Lozito, is a low quality colonization story, coupled with poor writing. A future black ops colonel, “Connor Grant,” is suckered into attacking with his platoon, a pervasive, organized crime organization, the “Syndicate,” ensconced on a massive, Sol System space station.

The first book was about humans leaving Earth and discovering a new world. However, this book is really terrible. I won't be reading any more from this series. The training of spaceships was okay, but dragged on far too long.
