Expedition Unknown is an American reality television series produced by Ping Pong Productions, that follows explorer and television presenter Josh Gates as he investigates mysteries and legends. The series premiered on January 8, 2015 and originally aired on Travel Channel before moving to Discovery Channel in 2018.

Expedition Unknown - Wikipedia

When troubleshooting unknown open ports, it is useful to find exactly what services/processes are listening to them. This can be accomplished in both Windows command prompt and Linux variants using the "netstat -aon" command. We also recommend running multiple anti-virus/anti-malware scans to rule out the possibility of active malicious software.

The secret is a continent-sized treasure hunt that's been going on for close to 40 years. In 1982 publisher Byron Preiss buries 12 treasure boxes in 12 North American cities and releases a book of enigmatic images and verses, offering clues to their locations: find a box and you recover a key, which can be redeemed for a valuable gemstone.
