Hickok 533a Tester - Tubtesequ: Tube Testers Test Equipment

Hickok 533A Tube Tester. The Hickok model 533A tube tester is one of their most popular models. As with most all of Hickok tube testers, this unit uses the mutual transconductance method for testing of tube quality. There is also an earlier model 533 which is similar but has different grid signal levels and different switch settings.
