It is my first coloring book ever, and I am trying to learn to be a bit more patient and sit still for a while (ADHD kid). I'm a big HP fan, so in that sense, the book is great: the drawings are pretty accurate representing scenes from the movies and the book provides some colored pictures in the end to be used as template.

The coloring book turned out even better than I expected! The printing is crisp & the paper is nice & thick. It feels more like an art book than a coloring book. I will definitely be printing through printingcenterusa.com again! Also, I price shopped a lot before moving forward with the book & printingcenterusa.com had the best prices I could find.
