On the following pages, we consider the implications of intercultural communication—interacting with people from a variety of cultures and cocultures. Communication and Cocultures LEARNING OBJECTIVE 3.2: Apply the concept of intersectionality to your communication, and identify communication factors that help shape cocultural identity.

Essential Communication [2 ed.] 0190650087, 9780190650087

INTRODUCTION. Students may learn a lot from working in groups, but the learning potential of collaboration is underused in practice (Johnson et al., 2007), particularly in science education (Nokes-Malach and Richey, 2015). Collaborative, cooperative, and team-based learning are usually considered to represent the same concept, although they are sometimes defined differently (Kirschner, 2001 ...
