Multiculturalism in Canada was officially adopted by the government during the 1970s and 1980s. The Canadian federal government has been described as the instigator of multiculturalism as an ideology because of its public emphasis on the social importance of immigration. The 1960s Royal Commission on Bilingualism and Biculturalism is often referred to as the origin of modern political ...

Introduction. Since today's business environment frequently confronts changing market trends, globalization, and technological advancements, firms need to continuously revisit their processes, strategies, and culture (Cummings and Worley, 2009; Petrou et al., 2018). Over time, a review of change management has acknowledged the importance of organizational change (Burnes and Jackson, 2011).

A black hole is a region of spacetime where gravity is so strong that nothing – no particles or even electromagnetic radiation such as light – can escape from it. The theory of general relativity predicts that a sufficiently compact mass can deform spacetime to form a black hole. The boundary of no escape is called the event horizon. Although it has an enormous effect on the fate and ...
