Here are the alternator wiring ...

Alternator Plug: Previous Owner Installed Non-standard ...

If you go that route, then the wire you'd want to cut is the one that goes directly from the alternator to the ECM/PCM. In the 98 and 99 Isuzu Trooper it's white with blue stripes. It plugs into the back of the alternator, then clips into the same color wire somewhere near the fuse box before going to the PCM. Cutting it anywhere should do the ...
