We employed a whole body magnetic resonance imaging protocol to examine the influence of age, gender, body weight, and height on skeletal muscle (SM) mass and distribution in a large and heterogeneous sample of 468 men and women. Men had significantly (P < 0.001) more SM in comparison to women in both absolute terms (33.0 vs. 21.0 kg) and relative to body mass (38.4 vs. 30.6%). The gender ...

Whydah Gally / ˈhwɪd ə ˈgæli, ˈhwɪd ɪ d ɔː / (commonly known simply as the Whydah) was a fully rigged galley ship that was originally built as a passenger, cargo, and slave ship. On the return leg of her maiden voyage of the triangle trade, Whydah Gally was captured by the pirate Captain Samuel "Black Sam" Bellamy, beginning a new role in the Golden Age of Piracy.

Robin Hood is an anthropomorphic fox and the titular protagonist of Disney's 1973 animated feature film of the same name. Although Robin Hood is often shown as an outlaw who chooses to rob from the rich to help the poor people, in this animated version, he is shown mainly attacking Prince John and his agents, who have impoverished Nottingham with high taxes. Robin Hood and Little John steal ...

Dissection (from Latin dissecare "to cut to pieces"; also called anatomization) is the dismembering of the body of a deceased animal or plant to study its anatomical structure. Autopsy is used in pathology and forensic medicine to determine the cause of death in humans. Less extensive dissection of plants and smaller animals preserved in a formaldehyde solution is typically carried out or ...

Chronic wounds are known for their large share of healthcare cost and limiting the quality of life for many patients. Therefore, it is important for healthcare professionals to have the knowledge necessary to identify causes that limit wound healing progression, to provide the ideal environment for wound healing, and to understand the intrinsic and extrinsic variables at play.

Since DSM-IV was published in 1994, its approach to substance use disorders has come under scrutiny. Strengths were identified (notably, reliability and validity of dependence), but concerns have also arisen. The DSM-5 Substance-Related Disorders Work Group considered these issues and recommended revisions for DSM-5. General concerns included whether to retain the division into two main ...

Swamp Thing is the Avatar of the Green, the protector of plant life. In a secret facility located in the Louisiana swamplands, scientist Alec Holland and his wife Linda invented a Bio-Restorative Formula that would solve any nations' food shortage problems. Ferrett and Bruno—thugs working for Nathan Ellery—barged into Alec's lab, knocked him out, and planted a bomb in the facility. Alec ...
