Manfred Kets de Vries In this book of insightful essays, Kets de Vries explodes the myth that rationality is what governs the behaviour of leaders and followers and provides a more realistic perspective on organisational functioning and the leader-follower relationship.

THE KETS DE VRIES INSTITUTE

We've probably met our share of the fools and impostors playing at "leadership." They are manifest by their power games, control, manipulation, abuse, self-centeredness, and incompetence. If I'm going to learn what it is to be a leader - a real leader, a true

leader - I have to watch and listen to Jesus. I have to be leading like Jesus.

Blog | Living Theology | John B. MacDonald

Abstract. This chapter discusses the first dimension of servant leadership, Voluntary Subordination, which signifies the leader's conviction to renounce the superior status and privileges attached to leadership in order to embrace greatness by way of servanthood. Examining how servant leaders view and treat power show why the willingness to selflessly serve others is the defining dimension of ...
