### Favourite colour | LearnEnglish Kids | British Council

Yellow is another color that has always caught my eye. It explodes from the morning sun; then paints the sunset sky. I wonder if, in fact, my favorite color might be yellow. It reminds me of all that is good, positive and mellow. Green, the color of life, emboldens the countryside. Eyes of another daughter sparkle this color far and wide.

### My Favorite Colors Poem by Gregory Huyette - Poem Hunter

young and Diggs both work with words, sound, image—and bodies—as Diggs’s puts it. On today’s show, they talk about funk, Dolly Parton, taking notes, polyglots, and how these different cadences resonate in young’s series peestain.In these collages and poems, featured in the November issue of Poetry, young weaves his own history with the lives of his students and characters like Willis ...

she had always said her favorite color was yellow for the girl with buttery skin and crystal eyes it seemed rather fitting yellow was the color of sunshine

### her favorite color was yellow by Bee - Hello Poetry

One of my many, many favorite poems is "Touched by an Angel" by Maya Angelou: We, unaccustomed to courage exiles from delight live coiled in shells of loneliness until love leaves its high holy temple and comes into our sight to liberate us into life. Love arrives and in its train come ecstasies old memories of pleasure ancient histories of pain.
