The Magni M16 is one of the world's longest-established and most-produced factory built gyroplanes. It is fair to say that the M16 is the machine which showed the world what a modern factory-built gyroplane could do, and it is no exaggeration to say that it is the machine which launched the modern gyroplane industry.

MagniGyro is proud to present the new M16 PLUS series, powered by Rotax 915iS! "As the proud owner of the first Magni M16 PLUS in the U.S.A., I can tell you the performance is like none other. Takeoff, climb and speed performance exceeded my expectations. This gyroplane has incredible power reserve, more than enough for every aspect of flight.
