Some consumers are under the misconception that odometer fraud disappeared when yesterday's mechanical odometers were replaced with today's digital odometers. After all, how do you tamper with your car's computer? You might be surprised to learn that the process is fairly easy, especially for anyone with access to certain online tools.

The first major European expedition into the territory that became Mississippi was Spanish, led by Hernando de Soto, which passed through in the early 1540s. The French claimed the territory that included Mississippi as part of their colony of New France and started settlement along the Gulf Coast. They created the first Fort Maurepas under Pierre Le Moyne d'Iberville on the site of modern ...

The history of the United States is what happened in the past in the United States, a country in North America.. Native Americans lived in the Americas for thousands of years. English people in 1607 went to the place now called Jamestown, Virginia. Other European settlers went to the colonies, mostly from England and later Great Britain. France, Spain, and the Netherlands also colonized North ...
