New York Deco

Art Deco architecture flourished in New York City during the 1920s and 1930s, before largely disappearing after World War II. The style is found in government edifices, commercial projects, and residential buildings in all five boroughs. The architecture of the period was influenced not just by decorative arts influences from across the world, but also local zoning regulations.

Art Deco architecture of New York City - Wikipedia

New York City is the Art Deco capital of the world! Of all the world's great cities, none is so defined by its Art Deco buildings as is New York with its noble Art Deco skyscrapers, such as Rockefeller Center, Radio City Music Hall, the Empire State Building and the Chrysler Building, along with countless other apartment houses, public buildings, and theaters found throughout the five boroughs.
