Basketball - NFHS

A subcommittee of the MIAA Football Committee has been working on needs to help in the transition to NFHS football rules which begin in the fall of 2019. These efforts include the support and educational opportunities for coaches and officials during the next 6 months as everyone prepares for the fall 2019.

American football, referred to simply as football in the United States and also known as gridiron, is a team sport played by two teams of eleven players on a rectangular field with goalposts at each end. The offense, the team with possession of the oval-shaped football, attempts to advance down the field by running with the ball or passing it, while the defense, the team without possession of ...

In gridiron football, the safety (American football) or safety touch (Canadian football) is a scoring play that results in two points being awarded to the scoring team. Safeties can be scored in a number of ways, such as when a ball carrier is tackled in his own end zone or when a foul is committed by the offense in their own end zone. After a safety is scored in American football, the ball is ...
