Carbonyl sulfide, a new hydrophobic and volatile metabolite of disulfiram was found in blood samples from alcoholics treated with single or repeated doses of disulfiram. The dosage schedule included 400 mg of disulfiram every second or third day. After an interval of 3 days with no treatment, all were given a dose of 400 mg and blood samples taken before ingestion and 4 hr after ingestion.

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
