Since 1991, a new conception of Indian-white relations, known as the "middle ground," has slowly emerged in Indian and western American historiography, challenging the old and New Western History and Indian history paradigms. The relations between Native Americans and white settlers—the middle ground—served as a gigantic trade zone in which culture became the economic goods of demand...

A mental disorder, also called a mental illness or psychiatric disorder, is a behavioral or mental pattern that causes significant distress or impairment of personal functioning. Such features may be persistent, relapsing and remitting, or occur as a single episode. Many disorders have been described, with signs and symptoms that vary widely between specific disorders.

Slavery has historically been widespread in Africa.Systems of servitude and slavery were common in parts of Africa in ancient times, as they were in much of the rest of the ancient world. When the trans-Saharan slave trade, Indian Ocean slave trade and Atlantic slave trade (which started in the 16th century) began, many of the pre-existing local African slave systems began supplying captives ...

Faragher (2015) considers that conflict often starts with individuals becoming fixated on their own beliefs or expectations, which can lead to fear and a toxic atmosphere. Organisations need to build conflict-management systems with managers, which seek their views and do not undermine their authority in practice (Faragher, 2015; Stanford, 2005).

### Workplace conflict: why it happens and how to manage it ...

Workforce planning is the process of balancing labour supply (skills) against the demand (numbers needed). It includes analysing the current workforce, determining future workforce needs, identifying the gap between the present and the future, and implementing solutions so that an organisation can accomplish its mission, goals, and strategic plan.

Oct 10, 2017 - You can calculate the angel number associated with your life by using your date of birth. Some call the angles of the birth chart a personal cross of matter, because you can draw a horizontal line connecting the 1st and 7th houses, and then a vertical line connecting the 4th and 10th houses.
