So we got the kart on time, completely put together, and ready for the track. This was completely unexpected, and a great surprise. Not to mention, Holden found a way to save me money (which in this sport, every dime saved is a bonus). So we got the kart, my kid slipped in the seat and he fit perfectly. Seat size and location was ideal.

Parilla Leopard 125cc Kart Racing Engine
In 1962 Saetta Company was created, which manufactured go-kart engines, with Giovanni Parilla as the managing director. Results in competition and commercial areas exceeded expectations from 1962 until 1968, when Giovanni Parilla retired and the company closed.
