Trailer Hitch Canada - Homepage - Hitch Warehouse

My pick the best 5th wheel hitch for short bed trucks. The Andersen Ultimate hitch is a revolutionary design. It takes the general concept of a gooseneck ball and raises it up to the height of a 5th wheel hitch. The design is available two material options steel and aluminum. It is also available in a rail mount and gooseneck ball mount version.

Best 5th Wheel Hitch for Short Bed Trucks [Complete Guide]

Like a 5th wheel hitch, a gooseneck hitch installs in the truck bed, and offers the same benefits of higher towing capacity (up to 30,000 lbs.), tighter turning radius, and superior over-the-road handling, compared to a conventional receiver hitch.However, you have more installation options with a gooseneck hitch, including ones that hide the trailer ball and allow complete use of the truck ...
