### **Beyond Top Secret: Eyewitness Accounts to the Roswell Incident**

Grey aliens, also referred to as Zeta Reticulans, Roswell Greys, or Grays, are purported extraterrestrial beings. They are frequent subjects of close encounters and alien abduction claims. The details of such claims vary widely, but typically Greys are described as being human-like with small bodies with smooth, grey-colored skin; enlarged, hairless heads; and large, black eyes.

### **Grey alien - Wikipedia**

They look for planets that may have resources to support life, like water, oxygen or hydrogen. A Scientific American article explains: "Since life originated on the Earth in a span much shorter than the present age of the Earth, we have additional evidence that the origin of life has a high probability, at least on planets with an abundant supply of hydrogen-rich gases, liquid water and ...
