The one with the shapes and the one with the scene. You can mix and match the black and white and colour images if you like (the shapes will match up fine). Cut out the images from the shapes template. Match up the shapes on the scene Templates and glue them on. Let the glue dry. Color the image (if you would like to). Printing the Template:

Shapes Scenes - dltk-teach.com

To glaze interiors, glazes can be quickly poured into a pot, left three seconds, then quickly poured back into the glaze bucket. Any excess glaze can be flicked off using a sharp rotation of the wrist while keeping the pot's rim parallel to the floor, it can be wiped off with a sponge or towel, or it can be left as it is, for its decorative effect.
