The item The sea and poison : a novel, by Shusaku Endo ; translated and with an introd. by Michael Gallagher represents a specific, individual, material embodiment of a distinct intellectual or artistic creation found in Dallas Public Library.

The sea and poison : a novel, by Shusaku Endo ; translated ...

SEA AND POISON by Shusaku Endo Reading Shusaku Endo's Sea and Poison was such a delightful experience I was reluctant to close the book. Granted, it is sad to read about cruel and heartless experiments on living human beings but that is not what the book is about. From the vantage point of Japanese/Christian culture Endo courageously shines his ...

Sea and Poison: Endo, Shusaku, Gallagher, Michael ...

The Sea and Poison 海と毒 (1958, serialized in 1957) Endō Shūsaku – 海と毒. Translated by Michael Gallagher. There are two types of sins, we are often told—the sins of commission and the sins of omission. The former are the committed through immoral actions, the latter through the failure to exercise moral actions.

Endo Shusaku — The Sea and Poison | Japonesque Blog

Sea Poison Shusaku Endo Tranlated Michael Sea Poison Shusaku Endo Tranlated The Sea and Poison is a short, dark physiological exploration of the motives and morals of the men and women who performed vivisections of B29 airmen at Fukuoka Imperial University towards the end of World War II.

Download Sea Poison Shusaku Endo Tranlated Michael

海と毒 (The Sea and Poison) (1957). Set largely in a Fukuoka hospital during World War II, this novel is concerned with medical experimentation carried out on downed American airmen. It is written with alternating points of view: the bulk of the story is written with a subjective, limited (but shifting) third-person view; three segments are told in first-person view.

The Sea and Poison. 3.91 (1,014 ratings by Goodreads) Paperback. English. By (author) Shusaku Endo. Share. Set in a Japanese hospital during the last days of World War II, the story centers on the medical staff who offer to assist in a series of vivisections—experimental operations on live U.S. prisoners of war.

The Sea and Poison : Shusaku Endo : 9780720616859

The Sea and Poison 海と毒 (Umi to Dokuyaku) is a 1986 Japanese film directed by Kei Kumai and based on a novel by Shusaku Endo. It tells the true story of downed American pilots in World War II who are vivisected by Japanese surgeons in medical experiments.

The Sea and Poison - Wikipedia

The Sea and Poison was the first Japanese book to confront the problem of individual responsibility in wartime, painting a searing picture of the human race's capacity for inhumanity. At the outset of this powerful story we find a Doctor Suguro in a backwater of modern-day Tokyo practicing expert medicine in a dingy office.

by Shusaku Endo Translated from the Japanese by Michael Gallagher The novel The Sea and Poison won the Akutagawa Prize when it was published in Japan in 1958 and established Shusaku Endo in the forefront of modern Japanese literature.

New Directions Publishing | Shusaku Endo

Endo even from his early days is the conflict between East and West, especially in its relationship to Chris tianity. Assuredly this is no new problem but one which he has inherited from a long line ofJapanese writers and intellectuals from the time ofMeiji; but Mr. Endo is the first Catholic to put it forward with such force and to

Silence

The opposition of atrocity and rationale, of carelessness among care-givers, of servile ambition among healers, creates an atmosphere of trenchant irony. It is the prevailing moral deprivation that Endo explores through the images of war, sickness, and want in a society at the end of its tether.
