Music is best learnt by doing, not by reading and writing. Make your lessons active and add to some energy to them! Even if you are teaching music theory there are ways to include practical activities. For younger children, games such as Magic Feet Follow the Beat present important elements of music theory in a fun way.

3 Tips for Teaching Music Online, From Teachers College, Columbia University Sponsored by Teachers College, Columbia University Master of Arts in Music and Music Education The COVID-19 pandemic has changed the face of education for all disciplines, but it has presented unique challenges for music teachers.

National Association for Music Education (NAFME)

Teaching at this moment is extraordinarily hard, and you'll need the virtual company of people who are experiencing what you are. And don't forget to "reach out to students as often as you can," said Keevan, who still teaches classes live despite a (slightly inconvenient!) 13-hour time difference.
