stuff too if you're willing to look around.

The Daniel Plan Six Sessions

Daniel Goleman's 2000 article in the Harvard Business review described these six leadership styles and underlined that using each style is a strategic choice. Instead of finding one style that fits you or matches your behavior or personality, you should try to use the optimum leadership style for each situation.

The Six Leadership Styles by Daniel Goleman

You want to see everything as a part of the grand plan of ascension, and you want to see yourselves as the ones who are taking an active role in the deliberate creation of the ascension experience. You can, of course, sit quietly and comfortably, knowing that everything is going to work out for the best, for you and for all of humankind, but ...
