Quintal harmony (the harmonic layering of fifths specifically) is a lesser-used term, and since the fifth is the inversion or complement of the fourth, it is usually considered indistinct from quartal harmony. Because of this relationship, any quartal chord can be rewritten as a quintal chord by changing the order of its pitches.

Extended chords. Accidentals are used to create alterations, with sharps and flats loosely interpreted to mean altering the indicated note by a half-step, even if that involves (for example) adding a natural rather than a flat or sharp.In some cases, parentheses around the alterations are helpful for clarifying whether the accidental belongs to the root note (for example, a C-sharp chord with ...

For example, David Binney and Edward Simon's Oceanos album utilises Luciana Souza's voice as a melodic line alongside Binney's saxophone on complex written material. This probably wouldn't be referred to as scat singing, but is certainly an extension of the tradition of using the voice as a melodic instrument in jazz.

If Italian film director Nanni Moretti had been born in 1973 instead of 1953, he might well have set the iconic Vespa ride through the empty streets of a languid, mid-August Rome in Caro Diario against a Bill Frisell rather than a Keith Jarrett soundtrack. Because if every era is defined by a limited number of musicians who characterize it with their innovations and sounds, then for jazz fans ...
