The Rule Of Three

The rule of three is a writing principle that suggests that a trio of events or characters is more humorous, satisfying, or effective than other numbers. The audience of this form of text is also thereby more likely to remember the information conveyed because having three entities combines both brevity and rhythm with having the smallest amount of information to create a pattern.

Rule of three (writing) - Wikipedia

The Rule of Three, also called the Law of Threefold Return, is a caveat given to newly initiated witches in some magical traditions, primarily NeoWiccan ones. The purpose is a cautionary one. It keeps people who have just discovered Wicca from thinking they have Magical Super Powers.

The Rule of Three - The Law of Threefold Return

The Rule of Three, made the blackout of '03, that itty bitty blackout that only lasted a few hours for some and a few days for others, that blackout that only affected 55 million people, seem pathetic and silly by comparison.

The Rule of Three (The Rule of Three, #1) by Eric Walters

The rule of three is based on the technique that people tend to remember three things. In oratoraiton it comes up all the time. So by repeating something three times or using the alliteration with three words, a quite ordinary speech becomes quite emotive. Good speeches are peppered with lists with three items

Examples of the Rule of Three - Presentation Magazine

If you've joined a photography or drawing course, you may have come across the rule of thirds, too. To create balanced pictures, don't put a key feature in the middle. Divide your canvas in three equal horizontal and three equal vertical slices, and put your key feature on one of the cross sections, like this:

The Rule of Three (+ Examples): Write with Power, Pizzazz ...

The rule of three is a very general rule in speaking, in writing, and in music, that states that concepts or ideas presented in threes are inherently more interesting, more enjoyable, and more memorable. It's no accident that the number three is pervasive in well-known stories: the three little pigs, the three musketeers, or the three wise men.
