Each summer, School of the Arts welcomes students of all ages and levels of artistic experience to Columbia's campus in New York City and to Columbia's Global Centers around the world. Summer arts courses are created and taught by School of the Arts graduate faculty, as well as by guest artists who are leaders in their fields.

Summer Programs - Columbia School of the Arts

The concept of the summer slide has been on researchers' radar since at least 1996, when one of the first comprehensive studies on the phenomenon was published. The study showed that kids lose significant knowledge in reading and math over summer break, which tends to have a snowball effect as they experience subsequent skill loss each year.
