The Tempest, William Shakespeare The Tempest is a play by William Shakespeare, believed to have been written in 1610–1611, and thought by many critics to be the last play that Shakespeare wrote alone. It is set on a remote island, where the sorcerer Prospero, rightful Duke of Milan, plots to restore his daughter Miranda to her rightful place using illusion and skillful manipulation.

A few possible sources have been suggested for both of two passages in Shakespeare's works: a scene in the play Pericles, and the third quatrain in Sonnet 73. In the scene in Pericles an emblem or impresa borne on a shield is described as bearing the image of a burning torch held upside down along with the Latin phrase Qui me alit, me extinguit ...

The Winter's Tale is a play by William Shakespeare originally published in the First Folio of 1623. Although it was grouped among the comedies, many modern editors have relabelled the play as one of Shakespeare's late romances. Some critics consider it to be one of Shakespeare's "problem plays" because the first three acts are filled with intense psychological drama, while the last two acts are ...

Introduction. Those interested in Celtic mythology, historians of the Welsh nation and students of the Arthurian tradition will all, at one time or another, have found themselves directed to a collection of Middle Welsh prose known by the curious name of the Mabinogion (pronounced Mabin-OGion). Compiled from texts found in two late-medieval manuscripts – the Red Book of Hergest and the ...

Double-consciousness is a concept in social philosophy referring, originally, to a source of inward "twoness" putatively experienced by African-Americans because of their racialized oppression and disvaluation in a white-dominated society. The concept is often associated with William Edward Burghardt Du Bois, who introduced the term into social and political thought, famously, in his ...
