To the Ends of the Earth (TV Mini-Series 2005) - IMDb

To the Ends of the Earth is the name given to a trilogy of nautical, relational novels— Rites of Passage (1980), Close Quarters (1987), and Fire Down Below (1989)—by British author William Golding. Set on a former British man-of-war transporting migrants to Australia in the early 19th century, the novels explore themes of class (assumed status) and man's reversion to savagery when isolated, in this case, the closed society of the ship's passengers and crew.

To the Ends of the Earth, William Golding's classic sea trilogy, tells the extraordinary story of a warship's troubled journey to Australia in the early 1800s. Told through the pages of Edmund Talbot's journal - with equal measures of wit and disdain - it records the mounting tensions and growing misfortunes aboard the ancient ship.
